

SOMBRERO WINS THE HURON.**GREEN MORRIS'S COLT SHOWS HIS HEELS AT THE SPA.**

Skillful Beaten in the Handicap for Two-Year-Olds—Mr. Whitney's Gunfire Sue successful—Octoroon No Longer a Maiden—Handicapper a Surprise at 20 to 1.

SARATOGA, Aug. 21.—A heavy rain this morning turned the track into a quagmire but the beautiful weather in the afternoon served to draw another big crowd to see the scene of action. The feature of the programme was the Huron Handicap for three-year-olds at 20 to 1 and three sixteenths. Green B. Morris's Sombrero, by Star Ruby—La Toque, was the favorite at 7 to 5. The colt took up 120 pounds and gave away weight to all of the others. A Featherstone's Arsenal and the Messrs. Sanford's Caughnawaga caught the balance of the educated money at 6 to 2. The start was good and Sombrero promptly showed the way. He was full of running and won easily by three lengths in 2:04 2-5. Andy King and 101 pounds most of the journey and finished ten lengths before the post.

W. C. Whitney's three-year-old filly, Gunfire, by Hastings—Royal Gun, won the first race for horses of all ages that had not won during the present meeting. The distance was three quarters of a mile and Gunfire, with 100 pounds, was made an odds-on favorite at 7 to 10. King Pepper and Astoria were heavily backed for the place. The former made the pace to the first quarter pole and Gunfire headed him and then galloped home as easy winner by six lengths. King Pepper finishing the same distance before Astoria. The odds were 14 to 1. M. D. Foy's Femesole was left at the post.

August Belmont's Octoroon, after a long and checkered career, finally got out of the maiden class when she won the second race at a mile. The Hastings filly had a poor lot to beat and was backed down to 7 to 10 favorite. She led from start to finish and won galloping by four lengths in the slow time of 1:47. Lady Teazle, 15 to 1, had an easy task defeating Rockfield for the place.

C. H. Elson's Skillful, winner of the United States Handicap, was beaten down to even money in the fourth race, a handicap for two-year-olds at five and a half furlongs, but he was indifferently handled. When the bad luck hit him, a Scott got along and won in a drive by three parts of a length from the Goughnaw's Stables' Shorthorn, with Skidoo neck behind.

Wild Pirate, the odds-on favorite in the fifth race at a mile, could not land better than third. That was the Hastings filly, who had a 20 to 1 shot forged to the front at the half-mile point and, under Creamer's drive, won with a length and a half over the Amazon, who beat the favorite by three lengths.

Nevemore, the racing event in selling race for two-year-olds at five and a half furlongs, Mount Hope led to the last furlong where Nevermore, backed down to 10 to 1, got along and won. His favorites were successful, the public had a rather exciting time.

NEWS OF THE WHEELMAN.

Chief Consul Obermayr on the L.I.A. W.

Situation—He Will Fight.

Chief Consul C. J. Obermayr of the New York State division, L. I. A. W., said to a reporter of the Sun yesterday that his administration has done a great deal more than any one knows about our method to get rid of our enemies. We prefer to work silently. When the first of September comes and the opposition ticket is formally filed, I will be ready with a statement. I am not much of a talker, but I can write. During the year we have liquidated \$1,000 worth of the other layers to take at a point reduction on the first of October. We are not afraid of the commission of our own runners. He says he will take any commission offered, even as much as \$75,000, and so controls, all the heavy traffic, from Boston to New York.

Weller, of Belmont and Mattie Louran threaten to pool interests to offset Obermayr's operations. The latter lost his bid in the last hand race, however, to John Weller.

Obermayr, who is a member of the Metropolitan Turf Association in good standing.

As a result when Obermayr holds the state, Weller fronts a rear seat directs the fixing price and so on.

Their plan is to offset Obermayr's operations by getting a horse to ride in the Saratoga ring, the latter being a member of the Saratoga Ring Association in good standing.
